

Title	Khan Kinetic Treatment™
Agency	MaHTAS, Health Technology Assessment Section, Ministry of Health Malaysia Level 4, Block E1, Parcel E, Presint 1, Federal Government Administrative Center, 62590 Putrajaya, Malaysia; Tel: +603 88831229, Fax: +603 88831230; htamalaysia@moh.gov.my, www.moh.gov.my
Reference	Technology Review Report, 025/2008. http://medicaldev.moh.gov.my/uploads/25.khan.pdf

Aim

To assess the safety, effectiveness, and cost effectiveness of Khan Kinetic Treatment™.

Conclusions and results

Limited evidence addressed the safety of Khan Kinetic Treatment and the effectiveness of Khan Kinetic Treatment in treating chronic low back pain and chronic neck pain. No evidence was retrievable on the cost effectiveness of Khan Kinetic Treatment.

Recommendations

Based on the review, routine use of Khan Kinetic Treatment in treating pain from spinal abnormalities is not recommended until further evidence can be obtained from good-quality clinical research.

Methods

Databases searched included: PubMed, Ovid full text, EBM Reviews-Cochrane database of systematic reviews, EBM Reviews-Cochrane Central Register for Controlled Trials, HTA databases, Food and Drug Administration (FDA), and Google. Additional articles were identified by reviewing the bibliographies of retrieved articles. All relevant literature was critically appraised, and evidence was graded according to the US/Canadian Preventive Services Task Force.
